Dear Anthony:

I returned from my trip without event and wanted to drop you a note to let you how much I enjoyed training with you. I also wanted to encourage you to use me and this note as a reference at any time.

As a 52 year old man with a knee replacement, I was a little worried about the wide variety of exercises you took me through, but you guided me through each of them safely and I knew I was in the hands of a real pro. You have a great temperament and a great sense of knowing when your client is at the limit.

I would train with you anytime and unhesitatingly recommend you to any client or colleague.

All the best,
